

# ROBOTS

## in the future

As computers become faster and more powerful, robots of the future will have better "brains" and will be able to do more tasks. Some scientists believe robots will one day be able to think like humans. That's called "artificial intelligence."

Robots' bodies might also become more powerful and able to do the things we do with our bodies, like run and climb. But we're still a long ways away from the kind of walking, talking, superstrong robots you might have seen on TV.

The future looks exciting for robots. It can be even more exciting for you. God has a wonderful future planned for everyone who believes in Jesus as Savior. If Jesus is your Savior, one day God will make a brand-new body for you. It will never get old or tired. You will live forever and be able to do amazing things. You can read about that new body in 1 Corinthians 15:42-58 and Revelation 21:1-4.

## Verse Scramble

Unscramble the italicized words below and then unscramble the bold colored letters to reveal a message at the end.

Revelation 21:1-5, NIV

Then I saw a new *nevahe* and a new earth, for the first *thae*r had passed away, and there was no longer any sea. I saw the *oyHI iCyt*, the new *slameJure*, coming down out of heaven from God, prepared as a *idbre* beautifully dressed for her *shandub*. And I heard a loud voice from the *rothen* saying, "Now the *gillwedn* of God is with men, and he will live with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death or *riونغumn* or crying or pain, for the old order of things has passed away."

He who was *estade* on the throne said, "I am making everything new!" Then he said, "Write this *wond*, for these words are *stowrytruht* and true."

# HEY KIDS

I know you've had fun doing the activities and reading all the cool stuff in this issue of *Today's Pentecostal Evangel*. Wouldn't it be great if every month there was something in the *Evangel* just for you? Beginning in 2009, three issues each month will include a kids' page. You'll get a continuing adventure from the *Holsom* series, a weekly theme, weird facts, puzzles and activities, and even the opportunity to help create other pages. You won't want to miss an issue!

### Compassion brings hope and healing

Showing compassion to a child at Hillcrest through a \$25 or more monthly sponsorship can have a tremendous impact on restoring the life of a child. It starts with one child and can wrap its arms around an entire ministry.

Hillcrest Children's Home provides around-the-clock Christian care for children who have suffered from abandonment, neglect and abuse prevalent in our society today.

Help us rescue children and youth from harm's way, restore broken hearts and spirits, rekindling a child's future. Your one-on-one sponsorship is the start of something BIG!
